

# Teach Us to Worship

Tyler Vaughn

Key of B

## Chorus

**B**  
Teach us to worship  
**F#/A**  
Teach us to worship you  
**G#m**  
Teach us to worship  
**E**  
In spirit and in truth

## Verse 1

**B** **C#m7**  
Way beyond song, far beyond words  
**E**  
there is a place  
**C#m7** **F#**  
where our worship comes alive  
**B** **C#m7**  
With hands that heal, with hands that seal  
**E**  
Your love in the hearts  
**C#m7** **F#**  
Of those in need of you

## Verse 2

**D**  
With angels above  
**C#m7**  
With earth below  
**E**  
Are hearts crying out  
**C#m7** **F#**  
For your kingdom to come down  
**B**  
Take everything  
**C#m7**  
That hasn't been true  
**E**  
True to your word  
**C#m7** **F#**  
It's your will we long to do
